Despre mine

I recently joined Pathao courier Ltd as a delivery person, where I'm excited to be part of a dynamic team that values efficiency and customer satisfaction. I enjoy being on the move, navigating the city, and ensuring that packages reach their destinations on time. My role requires strong organizational skills and attention to detail, which I take pride in.

I'm committed to providing excellent service, and I love interacting with customers, ensuring their needs are met. Every day presents new challenges, and I thrive on the fast-paced environment that comes with the job. I'm always looking for ways to improve my routes and streamline my deliveries, making the process as smooth as possible.
